**RENEWED REQUEST FOR CERTIFICATE OF CORRECTION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Appended hereto is a Request for a Certificate of Correction as filed with the Patent and Trademark Office on October 9, 2007, as well as the Status Inquiry of the undersigned submitted to the Patent and Trademark Office on May 12, 2008. To date, no action by the Patent and Trademark Office has been received, and a Certificate of Correction should have been granted long ago.

In checking PAIR for the application, there is an indication in the record dated November 5, 2007 that "Certificate of Correction denied". However, nothing has been issued by the Patent and Trademark Office to that effect, and there is no reason why a Certificate of Correction should not be granted.

It is therefore requested that the Patent and Trademark Office properly issue a Certificate of Correction, and any inquiries or communications should be directed to the undersigned.

November 13, 2008

Respectfully submitted,

A handwritten signature in black ink, appearing to read "William M. Lee, Jr.", is written over a horizontal line. The signature is stylized with a large, looped initial "W" and a distinct "Jr." at the end.

**STATUS REGARDING REQUEST FOR CERTIFICATE OF CORRECTION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

A request for a Certificate of Correction was filed with the Patent and Trademark Office on October 9, 2007, and a copy of that request is attached. In the request, inadvertently the serial no. and filing date for the application were recited rather than the patent no. and issue date as set forth above.

No action has been taken by the Patent and Trademark Office, although a Certificate of Correction should have been issued by now. It is therefore requested that the Patent and Trademark Office issue the Certificate of Correction without further delay, and advise the undersigned of the status.
